Account Number	I acknowledge that I have read and understood the Terms and Conditions and authorize Action Cellular (Lessor) to invoice or charge my credit card for all charges related to the rental of the cellular/satellite equipment. Prior to the delivery of the equipment, a prepayment is required for a minimum of \$500.00 U.S. per cellular telephone and \$750 for satellite telephones. On termination of the rental agreement, or periodically during the rental period, all amounts including equipment rental, delivery/pick-up and call charges will be charged to the named account. Should the amount due exceed the credit authorization amount, an invoice will be issued for the balance due. I also acknowledge that some satellite and international cellular rentals will not be billed promptly due to delays in securing call charges from the carrier. In some cases final invoices will not be provided for several months. Details of cellular calls made may not be available for some countries.
